Note: 1. This Project Listing does not negate the requirement for DD Form 2162 in the analysis process.

2. This project listing shall list all major construction projects, plus any unspecified minor construction and/or operations and maintenance (O&M) funded rehabilitation projects on indoor ranges.

3. Identify O&M-funded range rehabilitation projects by placing "O&M" beside the monetary amount in the cost column. Boards shall validate that section E4.9. through subparagraph E4.9.1.3., shall have been met for each respective project.

4. Identify new construction projects that included an indoor range in the remarks column. That applies to both unilateral and joint projects. Boards shall validate that section E4.9. Through subparagraph E4.9.1.3., shall have been met for each respective project.
