

**AIR GUARD - MAJOR PROJECT LIST**  
**Joint Service Reserve Component Facility Board**  
**State of Montana**

Date of Board Meeting	24-Mar-11	MT Air National Guard																		
Component	Installation	City, State, & Zip Code	Project Name	Size SF	Approx. Cost \$ Mill	Program Year	FYDP	Component Project No.	Remarks											
								JKSE												
<p><b>NOTE: The Air Guard is scheduled to lose the F-15 Mission in FY 2012 time frame as the Aircraft are being relocated to California. We are tentatively scheduled to convert to a C-27J mission in the 2014 timeframe. A secondary mission for an INTEL Targeting Group has also been approved by the Chief of Staff of the Air Force pending a successful site visit in April. As of this date the only project in the FYDP is a general place holder for the c-27J conversion. This project is currently in FY 2016 but will be broken into smaller individual projects. THIS REMAINS A VERY DYNAMIC SITUATION</b></p>																				
Air NG	Great Falls, IAP	Great Falls, MT 59404	C-27 Conversion		TBD	2016	Yes	JKSE 110911	Will be broken into smaller projects											
Air NG	Great Falls, IAP	Great Falls, MT 59404	Deployment Processing Facility		8,000	2015	NO	059042	Valid Requirement, but low priority.											
	This project will be accomplished under the c-27J conversion funds. Remains uncertain if this old project number will be used or if a new project will be generated to convert an existing facility.																			
Air NG	Great Falls, IAP	Great Falls, MT 59404	Maintain Building Envelope - Main Hanger	64,300	2.00	2011	n/a	072112	No change to footprint. SRM \$											
	This Project does not require JSRRCFB approval as it is funded with SRM money and is simply an upgrade to roof / windows / doors / floor of existing hanger.																			
Air NG	Great Falls, IAP	Great Falls, MT 59404	Aircraft Shelters		6,840	1.75 ea	Out YRS	NO	Project Cancelled
