5. PROJECT LISTING

See attached project list for FY 2013.

6. PROJECT RECOMMENDATIONS

a. All representatives described their current projects. There were no new projects added to the list from 2012 to 2013.

b. No projects for possible joint construction were possible, so none are identified for joint on the individual component project lists.

c. The projects for unilateral construction are identified on the projects list. There are no common or shared interests at these locations with the various reserve components.

d. The USMCR removed all three of their projects validated last board from the list. No component added any new projects this year.

7. OTHER BUSINESS

All Services were in agreement that August is a very busy month for the JSRCFB Board and recommend the board be held in the March/April 2013 timeframe.
