F. PROJECT REVIEW and RECOMMENDATIONS See Consolidated Project Listing.

1. **U. S. Army Reserve:** Mr. Piliialoha gave a summary of the proposed project (PN79436/12519) for revalidation of joint consideration. The Nevada ARNG and the USAR have been working the past several years on establishing a joint project between this project and the NVARNG project PN320157. At the 2013 NV JSRCFB it was noted that the USAR requested a Memorandum of Agreement be initiated from the NVARNG in order to proceed further.

MARCH 5, 2014  
10:00 A.M. – 12:00 P.M.**

2. **U. S. Navy Reserve:** Mr. Raoufpur summarized the USNR project #P-111 for joint consideration. The lease on the property in Reno at the University of Nevada site will expire in 2019. The Navy reserve units at the Reno site are planned to be relocated to a new facility at the site at Fallon NAS. A joint project with the USMCR was discussed and was not applicable for consideration as a joint project.

3. **U. S. Marine Reserve:** No Projects

4. **Air National Guard:** Not present to discuss the project

5. **U. S. Air Force Reserve:** US Air Force advised via email that they have no current or programmed projects in Nevada at this time.

6. **Army National Guard:** CPT Hunsaker summarized the three projects for joint consideration. Project 320157, as described above, is/will be considered for a joint project. Capt Hunsaker noted that they are looking to add this project to the FYDP in 2019, and that it scored better as a joint project. The NVARNG has acquired the land necessary for the project near the Las Vegas Speedway. Project 320095 was noted to be the #1 priority on the list but was moved down the priority list because of low scoring. At this time the project is planned as a unilateral project. Project 320046 is a possible joint project for future joint project consideration in the out years. The state is willing to lease the required land. At this time the project is unilateral.

G. OTHER BUSINESS

The Board discussed the absence of the U.S. Air Force Reserve from participation in the Joint Service Reserve Component Facilities Board. In past years the Board has skipped over the USAFR's rotating chair responsibilities because of the USAFR lack of participation per this Department of Defense mandated directive. The DoD Directive 1225.07, Reserve Component Facilities Programs and Unit Stationing, April 23, 2007 establishes the JSRCFB and mandates that the Services meet at least once every 12 months in each of the 50 states, DC, Puerto Rico and US possessions and territories to consider and discuss possible joint MCON projects among the Services.

The Board has determined that the USAFR must fulfill their obligations under this directive, as the other services have done. Per the DoD Instruction 1225.8, September 6, 2001 the JSRCFB Chair responsibilities shall rotate annually, in turn, among the members. It's noted that the USAFR is the Chair for the 2015 Nevada JSRCFB meeting. As such, the USAFR will be responsible to organize and conduct the 2015 Nevada JSRCFB meeting.

As discussed, the NVARNG, as the Records Custodian, will attempt to coordinate with the USAFR to ensure their participation in 2015 and subsequent years. The US Army Reserve will forward the meeting minutes to the USAFR as well.

H. NEXT MEETING The 2015 Nevada JSRCFB will be held on Mar 4, 2015 at 1000
