#### E. PROJECT LISTING (Attach 1)

List was updated on 2 May 2013.

#### F. DISCUSSION

Following introductions, the JSRCFB Chair, COL Robert Moscarello, AZARNG, asked each organization to review their projects on the list.

Each service component provided an overview of their current, near, and long range projects:

The AZARNG reviewed 3 listed in the 2014 JSRCFB list.

The AZARNG Readiness Center project (#040035) originally planned for construction in Mohave County/Kingman is now a Rittenhouse project after congressional approval to relocate to Queen Creek, AZ. It is a FYDP 16 project.

The Safford RC (#040038) was pushed to the right, as an FY17 project on the current FYDP; the project is under review for priority action.

The AZARNG is looking to build a Readiness Center in Goodyear or Glendale AZ. This project will likely be renamed "West Valley RC" as the AZARNG refines its requirements and feasibility at both locations. Approximately 15 acres was offered up by City of Goodyear as a potential site.

All other projects identified for the AZARNG are on the 1 to N list and were not discussed.

The Arizona Air National Guard (AZANG) was represented by the 162<sup>nd</sup> Fighter Wing, Maj Aaron James. Predator Beddown project (FBNV069124) completed in Dec 2013. The Predator Hangar project (HFHA069169) at Fort Huachuca started construction on 8 April 2013 and is expected to be a 14 month construction time. They are 70% complete. Also discussed was the Main Gate, #1 MICLON for FY 16.

There are no other new projects at this time.

The US Army Reserve's project #77134 remains on the project list. The project could become a joint project with the AZARNG. The project list remarks have been adjusted to reflect the change. Land acquisition remains an issue as the 63D RSC continues trying to locate land in the northwest Phoenix area –

preferably along the I-17 corridor. The I-17 corridor was also identified as a recommended location for an AZARNG Readiness Center, and the USAR and AZARNG will continue to investigate lands for a possible joint project. Concerns regarding BLM remote lands and the associated challenges remain a concern and were noted by MAJ Green. AZARNG is also investigating State Land options in this area.

The US Naval Reserves were represented by Ms. Mercy Hahne and Mr. Kurosh Raoufpur in San Diego. They mentioned their drill unit moved to Luke AFB and they are looking to dispose their old Phoenix Reserve Center on 19<sup>th</sup> Avenue.

The USMCR was not represented this year.

#### G. TASKINGS

AZARNG personnel will coordinate with USAFR to host next meeting. The possibility of 162<sup>nd</sup> FW was also discussed as an alternate host. 161<sup>st</sup> ARW could not host this year due to operational commitments.

AZARNG will update POC listing.

#### H. NEXT MEETING

The revolving Chair/host list previously developed will be retained below. However, we are currently lacking POCs for the Air Force Reserve (AFR). The AZARNG hosted the 2014 JSRCFB in place of the scheduled 161<sup>st</sup> ARW. We will work with AFR component and see if they can host FY 2015 JSRB. We discussed as an alternate possibility with 162<sup>nd</sup> CES hosting 2015 meeting.

- 2015 – Air Force Reserve, Phoenix AZ (Alternate: 162nd FW/CES)
- 2016 – Naval Reserve, Phoenix, AZ
- 2017 – Marine Corps Reserve, Phoenix, AZ
- 2018 – USAR, 63D RSC, Phoenix, AZ
- 2019 – Arizona Army National Guard, Phoenix, AZ

The next meeting date is scheduled for April 2015 timeframe. Exact date and time TBD.

#### I. ADJOURNMENT

The meeting adjourned at 0935 hours on 5 May 2014.
