INSTRUCTIONS

Item 1. State. Enter state in which project is proposed.

Item 2. JSRCFB Meeting Date. List the year, month and day on which the Joint Service Reserve Component Facility Board met to recommend appropriate action to satisfy facility requirement which generated the proposed project.

Item 3. Proposed Project. List the title of the proposed project, as it would appear on the DD Form 1390s and DD Form 1391.

Item 4. Project Location. List the town/installation and county/parish where the proposed project will be located.

Item 5. Nearest Existing or Programmed Facilities, etc. The information contained in this item is for existing as well as for Reserve component projects programmed for execution in the current and the following 5 fiscal years military construction programs. Items of information are to be presented as follows:

Item 5. (Continued)

(1) **Location.** List the location of the facility, including county/parish.
