

Board Meeting Minutes
Joint Services Reserve Component Facility Board (JSRCFB)
State of Utah
7 June 2016
FY 16

A. CONVENING THE BOARD

In Accordance with DoD Directive **1225.08** dated 10 May 2016, the JSRCFB Meeting was held at 1000 hrs MST on 7 June 2016 at Joint Force Headquarters, Utah National Guard, 12953 S Minuteman Dr. Draper Utah 84020. The Utah Army National Guard (UTARNG) hosts the JSRCFB meeting.

Purpose: DoD Directive 1225.07: To maximize joint use of land and facilities by units of two or more components, to the greatest practicable extent for efficiency and economy. That shall include consideration for the acquisition, by purchase, lease, transfer, construction, expansion, rehabilitation, or conversion of facilities necessary for the proper development, training, operations, and maintenance of the Reserve components.

C. RESPONSIBILITIES

Meet at least once every 12 Months to:

1. Annually review future RC MILCON requirements to identify joint construction projects
2. Annually review future RC operations and maintenance (O&M) construction requirements to identify joint construction projects where potential exists
3. Recommend joint construction or justify the need to unilateral construction for each requirement
4. Identify additional joint opportunities to leverage efficiencies across the RC facilities programs
5. Identify vacant or underutilized facilities for possible reuse
6. Identify available land for potential real property actions with other RC's
7. Share initiatives across RC's within their respective State to improve facility efficiencies and readiness across all components
8. Make recommendations to the SESG or DASD(RP&R) on any facility needs of the RC's of that State that have potential to enhance readiness or to provide a significant return on investment
9. Respond to inquiries from the SESG and DASD(RP&R)
10. Address any other RC installations matters of interest to the membership or the SESG

D. Information Questions

1. Who is your Agency JSRCFB appointed official? (name, contact info., agency address)
2. Do you have development plans for MILCON or other relocation actions?
3. Do you have a future facility that can be used as a joint facility?
4. Are there any anticipated facility or location changes anticipated in the next 5-10 years?
5. Do you have plans for the acquisition, purchase, lease, transfer, construction, expansion, rehabilitation, or conversion of facilities necessary for the proper development, training, operations, and maintenance?
6. Do you have any available space for DoD tenants? Do you require any additional space to support mission?
7. Do you have local training area or maintenance space issues?

E. Project Summaries

1. Number projects Reviewed: 5
2. Number Recommended for Joint Construction: 0
3. Number Recommended for Unilateral Construction: 5
4. Number not recommended for Construction: 0

F. Project Listing

Naval Reserve

FY 19 New facility at Hill AFB.

Marine Reserve

Facility located at Camp Williams, Utah. Expansion of current foot print.
Notice of Additional Vehicles at Camp Williams
