A new water tower shared with the ACRA. |
| MIANG-A | | Construct Conventional Munitions Shop | Alpena CRTC | Alpena, MI | 4 | | \$3,000,000.00 | \$0.00 | UNILATERAL CONST: 12,500 SF facility. Demo buildings 502, 503 and 506. Priority per the IDP. |
| MIANG-A | TDVG969524 | Replace Control Tower | Alpena CRTC | Alpena, MI | 5 | | \$7,450,000.00 | \$0.00 | UNILATERAL: Currently the tower can't see taxiway B because of B490. If a hangar is built along the apron, this may also obstruct the tower view. The plan in the IDP for the new tower is to attach it to building 490 to consolidate functions and improve visibility. May be able to transfer property to MIARNG to meet disposal requirements |
