1) The ANG and USAR recognize an out year joint possibility on Maui, which they will investigate and discuss next meeting.

2) USMC is seeking land at Bellows AFB for construction of a Reserve Center in out year, and both the USAR and ARNG would be interested in small tactical units participating jointly if the land is acquired. This would benefit tactical units due to access to Bellows Training Area.

3) ARNG is seeking land on central Oahu to relocate a Readiness Center and maintenance shops. The USAR and ANG may be interested in an out year joint opportunity if the land is acquired.

4) USAR will check with Alaska Army National Guard for USAR Alaska project

5) USAR will check with Guam Army National Guard for USAR Saipan Project.
